Stunning, newer (2022 build), immaculately maintained pool view townhouse in the Eastwood Bluffs section of Sea Trail is ready for new owners! Built with luxury finishes and trim work and including nearly 2600 square feet this townhome offers huge value. PLUS it is a perfect solution for use as both a full time residence or a vacation property. Now lets talk about the home... The ground level consists of a

1.5 car garage that features epoxy coated floors and plenty of space for beach items. When you enter the home from the garage there is a full suite with a bedroom and bathroom that connects to a private porch area (again with great views of the pool area). Rounding out the ground floor are four (yes 4!) storage closets. Ascending to the main living level is a breeze as you have your own elevator that services all 3 floors! Once on the second level you will find a spacious kitchen with quartz coun-

tertops, gas cooktop and a huge island. Built in bench seating adds both storage and space to the dining area. Shiplap accents bring warmth to the living room which flows nicely out to the screened in porch. Before you head upstairs you can check out the 4th bedroom/office area with craftsman style cross coffered ceilings and a 1/2 bath right outside the room. On the top floor are two HUGE suites and a large laundry room. The main

suite features a walk in closet with built in shelving along with a spacious bathroom and full tile shower with temperature control faucet. The guest suite also has an oversized closet and full bath attached! Finally the laundry room has built in storage and ample space for supplies and clothing. There are truly too many positives to list about this home and we have not even talked about the amazing community amenities which include a private pool and clubhouse for Eastwood Bluffs PLUS all the Sea Trail amenities which include a parking lot on Sunset Beach Island, 2 pools, a fitness center, tennis/pickleball and more!
